Our dolls are really the most obliging of girls and all it takes is a bit of air to blow them up into ~~marvel~~losu playmates suitable for any kind of adult games.

TRUDI

She's one of the finest love dolls available and features a smooth latex face and breasts, hair that feels like the real thing, a silky-smooth vaginal opening and a seductively open mouth. She's real to the last detail — including a realistic anus which can be used to insert a standard vibrator to produce vibrating thrills in the vaginal area. The family also includes the Love Doll. Although extremely competitively priced, she's nevertheless a high quality, life-size lover (with a generous 36-24-36 figure) who's always ready for a bit of fun! £12.00.

DANISH DOLL

And then there's the Danish Doll. She's similar in every respect to the Love Doll but offers the additional refinement of a seductively open mouth. She comes into your life for only £18.00.

That's the family... make your choice... but whichever one of these ladies you pick you'll find them all of the highest quality and built to last and last.

FAITHLESS TITS 66

Hello, Boob Adorers,

What have you been up to? Not taking boobiful pictures of the girl next door; and that's for sure. Where are the floods of pix and letters: "Look at my gorgeous wife's tits!" or: "You must agree, my whoppers are better than yours — see the photo taken by my boss of them!"

What more can I do to encourage you? I'm already writing this without a bra. Must I work bare-breasted? Or dangle my big tits literally in your faces?

I'm not after perfect glamour. Just interesting titties of the girl-next-door variety. Okay, my hands will be eager to get fondling the orbs. But it's not pure selfishness. It's more potential models for PEACHES readers. That should make you men rise to the occasion! And you ladies, doesn't some proper modelling tempt you? (It always tempts my titties!)

No need to be marvellous photographers then. Just get those topping tits showing. Your peachy pictures will have my knockers knocking!

Expectant Bounces of Love!

Kathy

KATHY: OUR LAUNDERETTE LOVELY!

What connection could your big-boobed Kathy have with launderettes? Is this a trick or what? Your minds must all be working overtime on this one. I can imagine you running through the possibilities:

Those huge whoppers of hers couldn't be used for rubbing the washing, could they? Perhaps her tits might be tumbling driers? Or maybe her boobs are so dirty they need a good wash?

And to these stupid suggestions (all right then, point taken: I made the comments, but I should know something about your minds by this time!), yes, to these mad suggestions, the answer quite definitely is that my whoppers couldn't,

wouldn't and aren't — and all the rest of it. Accuse me of a dirty mind; but not of dirty knockers! The trouble is that your minds are not simply too dirty themselves (now, if anything could do with a wash!), but they look for filthy stories where they do not exist. You will invent them if you have to, won't you? Oh, yes, don't think that your Kathy hasn't sussed you all out. I know full well how your minds work, when it comes to my sizzling sex bombers.

You just will never believe that they are not up to something very naughty, will you? My whopping tits are always having it off in your minds. Now, I wonder why you think that? Oh, no, it can't be that you're right, can it?

Let's call it quits. I have to concede. I'm not ashamed of using my big assets for randy swinging fun given any and every opportunity. It's part of my nature; and also the essence of my baubles. Remember: I've so much tit, there's bound always to be some spot in the flesh which is nagging for sexy excitement. And also remember: we don't want my knockers to go to waste now, do we? Let's be honest! But thinking of just using the them as tumble driers! The very idea of it! It would be terrible. I wonder quite how you would do it? Do you imagine twirling my whoppers round and round with some wet socks hooked on the nipples? Well, as far as my beautiful boobs are concerned, you haven't a hope. Nor with rubbing your dirty shirt collars on my titty rubbers! Degrading — that's what I call it.

However — and there's always a "however" — the connection between me and my bouncing darlings and launderettes is much more simple and straight forward than any of your nasty ideas — and as you can guess,

pretty sexy and horny as well!

Like everyone else — much as I may dislike the fact — I do have washing to do; and not even merely my big brassieres! There are all the everyday things such as sheets and towels — my knickers are my own private affair! I admit it is something of a come-down for me, to have to perform such menial tasks . . . but despite my whopping tit size, I am only human! And so, about once a week, I trudge off to the launderette, usually feeling bad-tempered. Not everyone sees it as a come-down though. To tell the truth, some of the men there find it an excellent reason to come up, when they see yours truly with her big tits swelling out, sitting and watching the washing swirl round. Some of these guys — well, you can see the pricks growing inside their jeans . . . and they make little attempt to hide the fact. Believe me, it can get my nipples buzzing, longing to feel the hard shafts throbbing against my soft tit flesh.

Yes, I get plenty of eyes on me, when I'm sitting at that wretched launderette. As for the bloke in charge: he is forever giving my boobs randy looks and telling me how grateful he is to my tits for attracting custom! (Well, he should give me a percentage of the profits!)

Undoubtedly, it is true that the sight of my missiles

sticking out provocatively in front of my chest does bring the men in. Often enough, I've spotted a chap walk past the window, glance in and catch sight of my whoppers; and then five minutes later, it suddenly seems he's got a whole pile of washing to do! And don't say that coincidences do happen! The way my baubles have itched, when that man has eagerly come running back to give my tits the eye has no coincidence about it!

Whenever I've forced myself into going to the launderette has, of course, been when I've got the evening free — for example, I've been too tired to go and meet booby friends in Soho or Hampstead. In any case, as you know, I do not like to feel too committed in my life: free, bouncing and swinging — that's your Kathy. Sometimes those wily chaps who have come specially to view me with their washing have turned out to know just how a pair of whoppers like to be handled. Yes, launderette evening isn't all misery! I get the odd guys back for . . . coffee.

For coffee? Yes! An untruth I do not tell you! They do have coffee usually . . . as well as some . . . Well, I confess it. The coffee is not going to be their central motive for coming, is it? Do I hear you saying "Not your motive either, Kathy?" The nerve of it! You know how my poor boobies cry out for attention and love — poor babies might be more like it, the way I feel about them, so soft and beautiful! But really, I must retain control on myself, or else I'll be having my tits out and be rubbing myself off!

Anyhow, the other week, I was in the launderette. Not by choice especially, but your Kathy is a clean girl at heart, and like every other clean girl (and boy) in the world, she does have to go and do the washing at some time or other.

There I was, bored to tears, seeing the same old sheets and towels spinning round an and round. I normally wash my bits and pieces, as some girls call them, — what they mean is 'bras and knickers', so why they can't say just that, I do not know! — still, I normally do mine at home. Most bras, if they have bones or the likes, aren't exactly safe in uncaring washing machines. Mind you, I did have a big cotton one in the load that night. I watched it getting tangled up with the towels and then coming free and opening out against the glass. I was sure the rest of the people in the laundrette were craning their necks, trying to see what was going on. I wasn't really very with-it; I was thinking of what I should be putting in the next issue of PEACHES (yes, I know, BIG TITS! — but which models' in particular?) — you see I do care about

you! Anyway, I was miles away, until I heard a cough and noticed there was a girl sitting beside me. Her eyes were switching from my machine to hers. She wasn't merely intent of staring at my bra, but also on a voluminous effort which I presumed was her own.

She must have felt my eyes scanning her, because suddenly she turned round and grinned at me wickedly. A pair of grand mountains faced me through an exceedingly thin top. I could see the outline of each whopping tit! We said nothing; we simply sat and watched each other's bras. Greater love hath no girl than that she lay down her bra!

Equally silently, we placed our stuff into the driers after the wash had finished. When it was ready, we walked out together. There was a sound of clapping from the men we had left! And the alcoholic fumes from the owner (who's renowed for getting tight) wafted over to us, as he belted out, "Four whacking whoppers! Wouldn't you like to dangle them over me in the back room?"

The silence between us was broken, and we started to giggle. "You know what I could do with . . ." the girl started. (I later discovered her name was Val.) She swung her well-stacked assets round against my thrusting missiles. I could see she was bra-less beneath her top, and her nipples were peeking out with the cold night air.

"I think I know!" I laughed and knocked one of her tits with my whoppers. The flesh beneath her top clearly rippled, and I felt surges of desire running through both of my globules; and my slit went wet, sticking to my panties. I was getting so turned on, I thought my bouncers would swell out and explode from my bra, and my pussy would suck up the crotch of my knickers into my juicy slit.

Val obviously recognised the signs. "Back to my place?" I nodded, as it turned out to be just round the corner. Geographical position

can be very important when there are two desperate hot-titted girls around; hot-titted big-titted girls, remember! If Val's flat hadn't been that near, I think we might have been before the courts for indecency. We were so horny, we could easily have torn off our clothes right there and then in the street, and got down to the tit sucking we were anxious for and some hard pussy rubbing!

It's amazing how we immediately tuned into each other's needs — presumably because we had the same! Neither of us were shy when we were indoors — none of this coy fondling round the shoulders, trying to undo a button or two, and feeling over the top swellings of tit. We slammed our stuff down, and without more ado, Val swiftly undressed me, yanking away my bra so that my tumblers really did tumble; while I ripped at her clothes and came face to face with her ample pair of luscious swingers. Real fruits! And was she just fruity! Her tits were deliciously soft and hung down long like pumpkins. I mean the line of whoppers went with the shape of her figure, because she was tall and slim. Not that her boobies were slim, but they were truly pendulous and had a peculiar kind of grace about them.

We stood there, lifting each other's lovelies and drooling over them. My hands slithered across the big swellings and my fingers tweaked the taut nipples. Already Val was licking over the curve of my massive tremblers and then she swooped down, and I felt her tongue poke through my bush and on to my clitty. I had to return the compliment! With my hands still gripping her big dangling fruits, I bent down and nuzzled my nose into the pink open flesh of her quim. Her hole was as wet as mine. I looked up. I couldn't see a blissful expression . . . but only because her knockers stood out so much!

This, still somewhat restrained admiration gave way to the full vent of our frenzied lust for each other. We began struggling, eager to try and suck in as much whopping tit flesh as possible; and Val managed to direct our toppling figures so that we landed up on the bed. We

A SPLENDID NIGHT

Two magnificently endowed German girls are indulging idly in a Lesbian petting session when they are interrupted by a handsome young stud who has been watching them unawares. rolled and grappled around, one moment our big tits stuck together like one gigantic mountain of boob flesh, the next moment, my orbs dangling down over Val's sparkling eyes.

Then I succeeded in getting Val on top of me. I saw her legs wide apart, with the thick full lips of her slit dangling open. My fingers immediately poked inside her; but what I was longing for more, and what I got, was the dangling of her whoppers She swung them over my face, jerking as I poked her insides for all I was worth, feeling her spongy hole yielding more and more to me. With each thrust of my fingers, her massive globules shuddered against my face. One second I was being smothered by the luscious tit flesh; the next second I was being teased, by having it pulled away from me, so I could just see the red flush beginning to cover the acres of tit skin. But then my teeth caught hold of a nipple, and I dug into the thin pin-prick like teat. Val jumped and jerked, having her tits and hole attacked at the same time. But she was also determined to give me a good banging, and she managed to curl her body round, so that she was moulding her face in my whoppers, and encircling my pimply haloes with her frantic tongue. I felt I was ablaze with sex, and then I felt her fingers shoving hard up my hole to my womb.

Wow! It was all too much. The very air we were breathing smelt of sex and of our funning love-juices and tit perspiration! We were lost in a blur of bare tit flesh and fruity holes, As our fingers squelched away inside each other, we rubbed our whoppers directly together, pummelling tit against tit. It was heaven as we broke out into climax after climax, our boobs hardening with the arousel, swelling out, and then becoming softer again, the inner tit flesh moving around. And then our boobs would be firm again and flushing, as another orgasm shook us, and the juices carried on trickling into our bushes, mingling with each other.

Fantastic! And we still had enough energy for some tit against pussy stuff!! Stuff is the word! I tried to stuff as much of one of my tits up her soaking hole as I could, while I aimed the nipple at her clitty. At the same time, I felt her thrusting teat hitting my trigger in my slit. And we were exploding again into more and more orgasms. That shows you men, poor things. You stuff a bird once, and a lot of you are shagged out for the rest of the evening!

At one point, while I lay next to Val, I said, "I did the launderette tonight because I was too tired to go out!" She smirked. "I hope your knockers have woken up properly then, because mine are still wide, wide awake! Mind you, I did my washing tonight, because I didn't want to get lumbered with the owner on my own. He would be bound to be wanting a poke inside me . . . but look where your tit is!"

My turn to laugh! I was

still banging my whoppers between her legs!

Life at the launderette has suddenly become quite an experience in itself. Val and I both have lots of other friends – and, as you can guess, I can always make room for another pair of peaches. But Val was insistent she wanted our relationship to be something different and uniquely funny. And so we have christened ourselves 'the launderette lovers'! Now, we always arrange to go to the dreaded launderette together. We always make sure we have at least one brassiere each to watch a-spinning, promising us of what's to come; and also tantalizing all the lascivious eyes upon us by ensuring that neither of us wears a bra – as though we'd just taken them off and stuck them in the machine! You should see the way some of the guys look at us – as if we are driving them crazy. We're driving each other crazy too, both showing off as much whopper as possible. When we probably haven't even seen each other for a week, laundrette night is certainly a really whopping one! Every minute of it is, as I sit and gaze at Val's bra and then at her bra-less bouncing glories.

Of course, when we leave, it's straight back to her place – and it's not to discuss washing! True, Val's voluminous bras could form a bit of interesting conversation, but the flesh-an and-blood objects which go with them lead to a much better form of intercourse!

Life's made for girls with big boobs really, isn't it? I am lucky. Who else do you know who is a launderette lover and not loather?!

MATRON'S MAMS

A boys' boarding school! Poor lads, we may well think. There is little chance of any big tits there. Would we be correct? If we wish to be accurate, we should assert that there is not much chance perhaps, but we know that there was certainly one boarding school with a Peach Peaches Reader attended, and which proves to be the exception. Martin B. of Reading was especially reminded of his boobiful time there by PEACHES SPECIAL number 18, as his letter discloses:

Dear Kathy — With Peaches Special 18, I think you really excelled yourselves To say it's a lip-smacking, tongue-clicking, cock-twitching, ball-jumping, tit-bouncing masterpiece can only be an understatement.

The opening sequence of pics of that very sultry lady with the long dark hair had me rocking, until I reached NURSING MY KNOCKERS on page 16, when moonwise I went fairly clear over the top. That fabulous 'mature' lady illustrating the feature on Nurse Catherine Lawson has got to be the greatest Peach ever to hit your pages. As I gaped, there was a glimmer of recognition and I rushed to my files to extract cuttings from your sister mag of about two years ago. And there she was, the same stunning forty years plus, her hair dyed from blonde to chestnut, but quite definitely the same; and even pictured in front of the same fireplace. When she appeared before — under the name of Pat Wynn — I wrote singing her praises and asking for more, but they never obliged.

(That must have been Jenny at Bounce. Our Kathy is far more obliging, in so many tit top ways!)

Now you at Peaches have come up trumps, and I'm eternally grateful, and if I'm not being too greedy, I'd like to see even more pics of her, if you've got them.

As you may have gathered, although only thirty, I do go for the 'older woman' in the biggest possible way, and would also like to cast my approval of the buxom black hair beauty in the previous issue and the sexy blonde in one of last year's editions who appears in Swedish films under the name of Mary Gavin. So, with due apologies to the teenage puppy fat lovers, please keep the real women coming big and fast in our direction. Incidentally, whatever happend to the much heralded Busty Keaton? One quick flash, and unless I've missed an issue, not a sign of her since! And one other small request, how about a tiny inset pic of your magnificent mam models in their street clothes? I know that sounds strange for a nudie mag, but it would help to complete one's overall impression of the lady concerned.

Now a little reminiscence sparked off by Nurse Catherine's revelations. It dates back to when I was a sixteen year old and a boarder at a public school. We had a quaintly-named under-matron working in our house, a widowed Irish woman who was aged about forty, was about five foot tall, very attractive with a head of tight brown curls, and the most massive pair of bubbies I'd seen at that time. I know for a fact that she was the fantasy figure for the masturbatory moments of every bloke in the school — except those who were bent of course.

One day, during the summer term, I had to return to the dormitory during a class to get a book. The whole house was empty so I thought; but as I crashed into our dormitory I was met by the most ball-breaking sight. There was our under-matron standing in front of the mirror, her housecoat undone, and holding a massive tit in each hand. I had seconds in which to feast my eyes on their giant whiteness, capped with chunky pink nipples with large uneven-shaped surround surrounds, and to note the way the cups of her front loading bra were dangling either side.

She tried to cover up, but got her finger caught in a buttonhole, and instead she

reduced in circumference.

"Are your dreams anything like this?" she asked.

As I recall, my only reaction was to gulp deeply and stare. She bent over me, and her giant titties swung nearer my face.

"Go on, touch them!" "You won't get into trouble."

As I hesitated, she continued, "For God's sake, boy, touch the bloody things! things!" and bent even nearer. I still couldn't believe it was happening to me, but I reached out tentatively and did as I was bid. My fingers ran over the crinkly nipples, and when she gave a little gasp, I took courage and began to stroke and knead them, squashing them tight together, and bouncing them to the obvious delight of both of us.

Then she abruptly stood upright and pulled back my bedsheet. "What have you got for me then?" she asked, and before I could move, my pyjama trousers were off, and John Thomas was proudly displayed, feeling (if not looking) about ten foot long.

As I struggled into a sitting position, she undid the bottom buttons of the pink housecoat, let it fall, and was standing beside me completely nude. I had time to spot the neat but bushy clum of brown curls below her curved, plump belly, before she pulled my head towards her. I could hear her

moaning gently, as my face was pressed into the sweet scented hair, while her giant boobs rested on top of my head.

My bones felt like rubber, as she released me, and clambered on to the bed, gently feeding me her right nipple, which I sucked hungrily, as my hands clamped on her fleshy white buttocks. And then, as far as I was concerned, disaster struck. I felt her hand on my cock and I couldn't hold back; and the next thing was, I was shooting all over the place. But she reacted like lightning, because to my amazement, her head was suddenly down there and her lips were over the top of my dick, and she was sucking as

eagerly as I'd been doing on her tit.

When it was over, she waved away my shamefaced apologies and proceeded to lick me clean. We lay naked for the first time. Being young and full of youthful vigour, that got me worked up again, and with my confidence returning, my tongue returned her kiss in far from innocent fashion. Then she sat up and turned to face me, with her legs wide apart.

"I'm going to show you what you've got to do next time we do it," she said.

"What? Stick it in you?" I queried.

"No, lovely," she replied, "I wouldn't like that."

She then put her hands down and parted the pussy hair which grew thick underneath, so that I could see the pinkish brown lips, glistening and moving.

With my role explained, she turned her back to me, and bending forward, began to roll my erect prick between her tits, as I overcame what at first seemed to be an un unpleasant taste, and began darting my tongue in and out, nipping the folds gently between my teeth, with my hands busily working up and down her mound, belly and massive bosomy under-hang. I was sweating furiously when, amazingly, considering my inexperience, we came together. I felt her boobs

drop away as her mouth again closed round my spurting tool, her cheeks sucking in as she took every drop, and her plump bottom bucking up and down in my face.

The remaining six weeks of that term were bliss — although I only got five 'O' levels instead of the anticipated nine. We played tit games regularly, whenever we got the chance. I would go to her room late at night; other times we'd meet secretly on Sunday walks, and many times we had brief gropes at each other, when the occasion arose.

Two things about it struck me as strange though. She would never let me fuck her properly, though she sucked me off and loved it when I shot over her bosom; and she never gave an explanation. And when I asked why she had allowed our unusual relationship to happen at all, she would only reply, "There are things to know and others to guess." And I was never to know the answer because she moved on during the summer term and I never saw her again. . . .

What fantastic luck for Martin (apart from the matron's departure)! He must have been one of the most fortunate schoolboys in existence. Just think how we at day schools thought ourselves lucky to grab the small-titted girls next door! However, it has not warped us for life. . . .

THE MILK IS FOR BABY

Most males are proud of their offspring, and of the loving lady who has carried it and who has brought it forth into the world. In her state of swollen pregnancy, in her state of after-birth, her mammaries it is to be hoped brimming with milk, the new mother inspires a fresh tenderness and caring from the man. This gentle attitude is also passed to their child, the child of whom all will feel proud.

The description here offered is idyllic. The tenderness the father feels towards the child may occasionally be tempered with degrees of jealousy. The father observes the closeness between his partner and the new life. Baby, it strikes him, is absorbing too much of his wife's/his girlfriend's attention. In particular, the baby is obtaining too much of her lovely breast.

Is all that milk intended solely for baby? That becomes the urgent question.

In this month's PEACHES EXCLUSIVE INTERVIEW, we hear from Mrs Alexandra B., a nursing mother, and a friend of one of our secretaries. She relates how she coped with her husband after the birth of their first

I nursed his head against the fleshy orb of my left udder, while he sucked slightly more daringly on the right.

He did not take my milk for long. He seemed to possess the same natural instinct as Josie for when he should stop. Meanwhile, my breasts felt as if they were coming into a full rich life again, not just as a mother's milk vessels, but as a wife's sex bombs. Yes, as a sexy, a very sexy feeling woman!

Was it too soon to have intercourse after the birth of my baby? I'm sure everyone would say it was; but when Clive lifted his head up from my tits and told me that being suckled by my gigantic jugs was the most beautiful and delicious experience he had ever indulged in, my whole body was absolutely throbbing with an intense passion. He felt it too. I could see his penis thrusting up into a hard erection. As I opened my legs, he sunk his shaft slowly and tenderly inside my spongy vagina.

I didn't have a conventional orgasm, but a shiver of delight spread right to my womb, as I felt my husband's semen spurting inside me. I knew that the horrible pang I had felt as a result of Clive's jealousy and which had spoiled my pleasure in tit-feeding our baby had now vanished forever.

We fell asleep contentedly in each other's arms – until, of course, Josie's crying woke us up, as she demanded yet more from my milk jugs. Only now, it was all right. Clive picked her up and cradled her, while I went to the bathroom and thoroughly washed my breasts. Then I was in a lovely blissful state, as he sleepingly stroked whichever tumbler Josie wasn't drawing her milk from. I cursed myself for my earlier stupidity. Why hadn't I realized how left-out Clive had been feeling? Left-out, what is more, by the things he adored most – my immense pair of danglers!

He didn't lap up any of

KNOCKING US!

You make me ashamed. The main culprit is that Kathy of yours. In virtually every other issue, I hear her boasting about how she managed to get some young girl to strip off her clothes and flaunt her big bristols about. Worse! Kathy nearly always tries to maul the poor girls, taking advantage of them, and grabbing at their breasts. Has she no sense of decency? It is one thing to show undraped professional models; it's another thing trying to lure girls into this sex exploitation.

She also has the nerve actually to encourage lesbianism. Don't think I haven't read some of those interviews – and read between the lines! Slyly, she manages to confuse the poor girl, so that she lets her feel inside her brassiere, and then in a jiffy, she has it off – and also has off her own! Has she no notion of shame? She blatantly admits how then she loves rubbing her big monstrous breasts against the girl's developing whoppers, and how soon she's dying to feel some tit in between her legs – or to be rubbing her own boobs against the virginal girl's pussy. Some fo the descriptions are so graphic, it makes me sick.

She is disgusting. She ought not to be allowed to go round tempting these young girls into parading their well-stacked bodies and into fiddling with each other, getting all those climaxes!

Andrew H., Carlisle

This sounds like a mixture of confusion and jealousy and bad argument and sour grapes. I could go on. Perhaps this reader would like to explain why he is a reader (and also, presumably, a looker)? Perhaps he might further explain why it is wrong for a girl with big boobs to enjoy showing them off and also to enjoy playing with other big-titted girls? Comments from other readers welcome! Kathy

TOO BIG?

It must seem silly mentioning this in a letter to a magazine like PEACHES, but I think my titties are too big. They are 53 inches, measured right round over the nipples (which are pretty large in themselves, I must confess). To add to the problem, my body has a rather small frame, so my titty size is only emphasized all the more.

I must tell you what my problem is though. It's not the standard ones about being shy or about being unable to get brassieres. Just the reverse, if anything. You see, I like seeing blokes trying to cope with embarrassing bulges in their jeans. Somehow, it sort of gets me feeling all excited between my legs and makes my nipples tingly and lovely. As a result of this, I always dress very seductively. I rarely bother with a bra, but have a V-necked blouse or something on, so that the blokes can see the vast expanse of my boobies, but can't actually see them in the raw. Obviously, I get loads of guys just gawping at my assets, watching them swing up and down against my ribs, and taking sneaky glances at my bare cleavage from different angles, in the hope that they'll manage to see right down the full length of a tit with nothing on.

All that is fine in a way. Some blokes in the past have tried to maul me, but I've just shrugged them off. You might say I'm a prickteaser, but I'm not a slut and I don't go about sleeping around.

The trouble is that I've just fallen for this guy. There's nothing in particular about him which I can mention to make him sound special, but he is special to me. He was initially over the moon when I let him go to bed with me. He felt all over my titties, and plucked at the nipples, and then stroked and caressed them, while he pounded inside me. But the size is now creating havoc in our relationship. You see, I can't help carrying on teasing the other blokes still, but Peter (he's this guy) gets as jealous as hell. He does all he can to cover up my whoppers at times, but then explodes, shouting out that they're too damned big! Obviously, you see, they still stick right out in front of me, whatever he does, and so the other blokes still get an eyeful! Furthermore, even if I am behaving non-provocatively, the men still get so turned on, they try it on with me — taking a pinch at the missiles or trying to slide their hands up under my jumper.

Peter sees red when this happens, and accuses me of encouraging them and urging them on. Half the time, I'm completely innocent. But he won't be convinced; and boy, does he take it out on me! Normally when we're screwing, he'll suddenly remember an incident connected with my 'too big' whoppers, and will start pummelling and kneading my titties together really hard. He becomes so violent with them, that they begin to hurt and I ask him to stop, but he just tells me that they're too big and so deserve to be treated in that fashion.

What is all very muddly about it is that even whilst he's shoving hard at my orbs and biting into my nipples making me shriek out, I'm also getting even more turned-on and I can feel everything going all watery between my legs, and I have incredible orgasms when he does finally drive his tool up me.

Afterwards though, my titties are so sore and raw. But Peter will still carry on bashing away at them until he's really shagged out. I don't really know what to think about all this. I think Peter is one hell of a mess over my titties as well, because he seems to love and hate them a at the same time. And he also seems to love seeing other men lusting after them at times, but then, as I said, he turns and blames me for it. What should I do?

Ms B.W., Scotland

Dump him - Kathy.

EVEN IN TEL-AVIV

Kathy, last week I had this experience of a lifetime, and this is it: About a year ago, I was walking in Tel-Aviv and suddenly I noticed a woman with the biggest knockers in the world. Well, ever since then, I have looked for this woman when I've been in T.A.

Whenever I spotted her, I would follow her, but nothing came of it. Last week, I did see her again by chance, and started tracking her, and then, when I was standing looking at a shop window, she came up to me and asked if I wanted to fuck. I couldn't believe my luck. I said yes, and followed her to a side alley.

She was truly magnificent, and would you believe it, she wore nothing underneath her dress! She was about forty-five years old, 5' 8" tall, with a pair of truly thick strong legs, and a pair of cascading tits that reached well below navel. In fact, the right tit was bigger than the left one. Each of her bazzooms was so big that I needed to hold them with two hands. I reckon her measurements to be 53-28-39.

I came in no time between her marvellous mammalian mountains, but to this day, every time I think of her, I get an erection which is hard to hide.

Nachman G., Peta-Tikva

SOME MEATY DELIGHTS

In PEACHES number 42, you were talking about jealousy. It crops up in lots of the PEACHES articles actually, doesn't it? Well, I for one do not like it anymore than you do.

I've got a 47 inch pair of jugs myself, and being bisexual like you, I love looking at all the big boobs in the magazine. If they look any bigger than mine, then it just makes me want them all the more! My husband, Jerry, often looks at them too, and I don't mind that either. Why should I object, if it makes him happy, getting aroused by imagining screwing into the tit tumblers of other women? Give me the chance, and I'd be joining him – well I couldn't screw with a penis, but I could lick and suck with my tongue!

One of our favourite bedtime games is looking at one of the girls or women and imagining in fact that she is in bed with both of us. I dream of my mams being squashed against her huge jugglers, and all the tit flesh oozing out, as we gyrate our whoppers together, nipples against nipples.

Then we two ladies let Jerry positively join in, moulding our danglers together, getting them swelling bigger and bigger. He drives his prick in between our two pairs of wobbling tit, so we can feel his crinkly balls churning against the pulses of our tit veins, and his shaft beats hard into our softness. We twist and turn, until he has to let go, and his spunk shoots out, covering all four boobs all at once.

Ooh! Its making my tits swell merely dreaming about that one right now.

I did once have another big-boobed lady years ago, but all my other girlfriends have been small-titted, and though that's nice, it's not too good, is it? It's still a turn-on sucking on a pair of big rubbery teats, but what we are agreed on is the need for some big squashy tits always to be surrounding such teats. True? I do wish you could join Jerry and myself one night, Kathy; but I expect you get that sort of wish from every reader. Still, lots of love from one pair of knockers to another.

Mollie F. (Mrs), Preston

I do get a vast number of wishes like yours, Mollie, but another one always makes titillating reading for me and keeps my boobs swelling beautifully.
How about a nice picture of your whoppers for me then? They sound like my kind of meat! (Kathy)

THE PEACHY PRO

Kathy, congratulations on your magazine – at last showing real women, full-bodied and no skinny apologies for women! Congratulations on reading that there is no age limit to a really attractive female; so please let us have pictures of women in their thirties, forties, fifties: the thrilling thirties, the fantastic forties; the fabulous fifties!

It was twenty-one years ago when, at the age of seventeen, I had my first woman — Betty. She was then forty-nine years old, about five foot five inches high in her stockings, and nearly sixteen stone in weight. Betty used to frequent several pubs of an evening, looking for custom, and that's how I first met her. She had on a short fur jacket over a tight black dress which enhanced her great breasts. Her high heeled shoes suited her slim ankles and big calves to perfection.

That night, when Betty stripped off for me down to her suspender belt and dark brown stockings, was a milestone in my life. When she knew that this was my first time with a woman, she let me explore her body in detail and guided my hands between her legs for a good feel. When I mounted her on the bed, I felt released and proud. I was a man and she was a mature woman who had had literally hundreds of men enjoying themselves doing the most thrilling thing on earth.

After that, I visited her once a week. Betty indulged me in every position possible, and with sexy things like black stockings, sexy bras cut low, black corsets, and shoes with seven inch heels! Walking was nigh impossible, but just standing . . . wow! When she got really

to know me and that, and understood that I didn't go with any other women, she let me have her without a condom. She said that my boyish juices would be absorbed into her body and would keep her youthful!

After a couple of years, she moved away to another town. Eventually, I married, but it was disastrous. Betty had spoiled me over all the ways of sex and having big breasts. Now, through contact mags, I've found several big women whose great legs and thighs can get around me and whose massive breasts can scarcely be held in two hands. So please continue to show women who are real big mature women. And, as well as big breasts, can we see some fat legs and thighs.

SOME PRETTY PEARS

I want to tell you how much I like the model in PEACHES 43 on page 29. You see, the point is that not only does she have a fabulous pair of danglers (lovely big nipples too, just as I like them), but she actually is a pretty girl as well. I don't want to be rude about some of your other models, but they're not what you'd call pretty, are they? I'm not talking about you — you look jolly attractive — boobs and all the rest of you included!

I suppose the other thing I like about this particular model is that she looks quite young — maybe no more than twenty even? Now, I'm only in my twenties myself, so that's the kind of age I want my girlfriends to be. I don't have the hang-ups about mother figures a lot of PEACHES readers do. I want a nice busty girl about my age or a little younger with really good tits. That's hardly an abnormal desire, is it?

I won't pretend that I never toss off over some of your older looking models, but I'm afraid I tend to shut my eyes to their faces, and just imagine I've got their huge tits to paw and swing. Maybe a lot of girls with big bosoms are still too shy to model for you? I must say though, you do do well to get all the models you do with such vast tits.

Never once have I met a girl with a peachy style figure whom I've had a hope of picking up — nor any older ladies to tell the truth. I'm living on dreams, pictures, and as far as the flesh and blood reality is concerned, pretty ordinary titted girls whom I go at like mad — at their tiny titties that is! I think I must be hoping I'll be able to make their tits bigger!

LYING~WHAT WHOPPERS!

Lying in bed, out of bed, and any place you care to mention; with a man shafting you, or a girl trying to let her whoppers swing. Lying, with it all hanging out, bare, titty and fruity, or with them all hung up. Not, however, lying down; for that, dear friends, is not the subject of this discourse.

Lying down to screw, to maul tit against tit, may feature later on, and be assured, such lyings will feature most whoppingly and peachily; but 'tis the lyings of deceit which come to prominence here. Whoppers! Yes, whoppers; and the whoppers may readily be about whoppers! Yet, more often, they may readily be not about whoppers. Gentle male readers, you know what whoppers you are constantly telling – perhaps to your wife, denying that you got your hands in the bra of the girl down the street! Or the whoppers may be to your mates. "Yes, she was this big," you explain, hands out, stretching further apart. That big? Why, with such colossal whoppers, she would lose her balance!

Your wife suffers from those whoppers: I was just

working late; I didn't touch her; of course her big tits don't get my prick up.

Liar!

I should hope that you have now got the point — though not that pine-stalk pointed part you lust after, the big taut teat of a succulent tit. Yes, dear reader, as you are, of course, aware (no complete fool would purchase PEACHES!) we are talking about untruths, lies, fibs — whatever word you want. But worry not; whoppers of the variety we all love are a major part of our subject-matter. We shall be delving into the lies often told by well-stacked girls, well-whoppered girls; and those lies which furthermore are particularly connected with their whoppers! (The lies of you guys can be too boring for words!) Taken all in all whopping whoppers are remarkably similar in type. Knockers knock against the rest . . . and the best!

I don't think I'm guilty of telling many lies myself these days about my body — only a few of the white variety; well, that's all I can think of off-hand. (Okay! Yes, I do have a convenient memory at times!) The little white lies I come out with are normally to friends whose confidence I'm wishing to bolster up or some such thing. I might say to a guy whose girlfriend is small-titted and a less confident female than me that she in fact has a lovely pair of titties. I can lick my lips ever so convincingly, as though I know every inch of the girl's rippling little jellies, whereas in fact I've probably never even seen her with her brassiere off. I've certainly haven't had my hands on her boobies!

You see, I can be kind! The guy will believe me, and in his mind, that girl's boobs will be bolstered up. He may even come to believe that they can compete with my huge blancmanges, and he'll think how lucky he is to have the girl. Naturally, he will stop noticing any flaws. Of course, the girl in question has to be one whom I like very much in order for me to go through all that. I'm not that sweet; and I don't pretend to be, but I am prepared to take a hand (a handful!) to help and assist the young and blossoming. It tends to be those who are having the difficulties in life, though the fact never ceases to surprise me.

We hear so often of the discomfort beautiful bosomy adolescent girls can suffer from the ignorance and sheer bitchiness of their family and so-called friends. There, sadly, their problems do not end! They may finally come round to accepting that their well-swung whoppers are a desirable commodity; yet they may still remain comparatively ignorant about their big baubles — what the big tits need to keep them happy! Thank the Heavens that I myself discovered a well-endowed woman to

teach me all about my luscious swingers fast! Not all girls are so lucky.

One girl who didn't come to terms with what her titties wanted at first is a friend of mine. Boy, she has some damned good titties though! — 49 inch, E-cup! Rachel (I've always wondered whether her biblical name had anything to do with it!), after having had some confidence instilled in her by several handsome but fly-by-night males, ended up having her first proper relationship with a shy and untutored boy called Gavin. Here's how she described it to me the other day:

"Honestly Lucy, I thought I must be sex-crazed or something. You see, Gavin just hadn't the faintest idea over what to do to a girl's boobs — well, not whoppers the size of mine! He liked them. Oh, yes, he liked them all right — no doubt about that! But well, he was shy. Not so odd really, I suppose, seeing he was only eighteen — ever so good-looking though — and the same age as me; but it was a bit unfortunate from my point of view. Those first few men I'd given myself to had treated my toppers to plenty of attention; but my memory of it all was of the drunken haze variety. Anyway, they had been much older than me — perhaps you'd say, dirty old men even! After all, how was I to know one way or the other?

"My big bouncing boobs went out for the first evening with Gavin with high hopes. They had been driven almost beserk beforehand, being rubbed together and their nipples stroked until it felt as if the tit flesh would burst through the teats! I didn't let myself quite come though; I was leaving that delight for Gavin to perform, poor fool that I was.

"We went to the pictures, and my first surprise was that he didn't try to feel up my jersey and get his fingers under by bra. The boyfriends of normal-sized boobed girls tried to do that even! Was there something different, abnormal perhaps, because my whoppers were so colossal? Gavin kept asking me if I was comfortable, and I repeatedly assured him that I was, though my boobs were giving me hell. They ached and nagged, craving to be touched up, but I didn't dare tell the truth in case he thought I was so odd — having this intense yearning for my titties to be pummelled.

"And that's really the story of our relationship. We did screw, but although he was happy to stick his prick in my hole, he didn't seem to fancy touching my boobs. He only barely fingered the oodles of tit; and he actually muttered something like, 'I expect you don't like men doing anymore than that to those breasts, do you?"

" 'Oh, no,' I murmured, not wanting to show myself up. What a fool I was! But how could I tell him that I was desperate to have my danglers kneaded and kissed and have passionate love mad made to them? Thinking back now on the matter, the poor boy was probably going through as much hell as I was, longing to manipulate and massage my whoppers, but feeling too frightened, not knowing if he should take the initiative. Isn't life stupid? I went out with him for about six months too! You can imagine how much 'Do-it-yourself' comfort my whoppers demanded whenever I was alone at home home! Eventually we had a row — through sheer mutual frustration I should think! my next guy was more

knowledgeable."

Maybe Rachel and Gavin sound like an extreme case of those whopping lies — and whopping stupid ones at that! I assure you, though, that I've met far too many other girls and women with similar and equally bad stories to relate. True, it is all a matter of degree. I guess there can't be many big-titted girls (or small-titted girls even!) who haven't at least at some point not mentioned things about their tits. There must be occasions when the girl hides her feelings.

"Oh, no, of course you're not hurting them!" That is what some girl is probably exclaiming at this very moment, as she grins and bears the pain as her lover nearly bites her teat off! She's just shrieking and squirming with enjoyment! But if the truth be known; well, she can't let the truth be known. Perhaps she really fancies the guy involved; perhaps she feels sorry because he's an inexperienced young kid.

That sort of experience is had by an awful lot of my friends. Men have very little education (if any) on tit care, and so while some males pick it up instinctively, others take a long long time. Imagine dear male readers though, how you would feel if we bit hard and not simply sucked or munched on your balls! Well, our nipples can be just as tender.

Now, here's another daft thing a friend of mine went through hell about with her large swinging whoppers. You know how much all you guys like sticking those throbbing rods of your between our luscious orbs? Of course you do! Well, we girls like it just as much, but we don't necessarily know you do, if you don't tell us.

Yes, poor old Patsy! She was actually married to Brian for a year before she confessed that well yes there was something else her breasts enjoyed as well as straight-forward fondling and kissing. Once upon a time, a guy had in fact done the thing to her, but it was a long time ago, and it was only once. What's more, Brian had

always seemed rather touchy about the past experiences of her big boobs.

Yet there was also Brian's history. It so happened that once upon a time, with a big-boobed young lady of leisure, his prick had been invited (given the cash!) between her soft tit pillows. He had been longing to repeat the experience of spunking into tits with his beautiful young wife's whoppers . . . but how could he suggest it? He didn't want to admit to having gone to that whore.

God, now you see how two people can be stuck, due to lack of communication, and hence white lies. That's the main thing wrong with our society, isn't it? It is not just silly coyness and embarrassment. Once people actually talk to each other, then most things work out between them. Oh, my friend Patsy started talking to Brian about her frustrated knockers in the end; sheer desperation drove her to it, as well as nasty knocks from her knockers! And wasn't Brian delighted!

You see, that is the ridiculous thing about most people's sexual hand-ups; it is so often the case that they are both wanting to say the same thing. Think of all that wasted time before they do get round to balling in the way they want. Think of all those aching itching acres of tit flesh. It makes me furious. My whoppers too!

There are lots of little whoppers told by well-whoppered ladies too — mainly about nice little things that they think sound silly; and so they lie and pretend every blossom (both blossoms!) on their chests are lovely. So they are, but they could be lovelier, were the truth to come out. Often these lies are simply the unmentioned desires of peccadilloes of their boobs. I know a girl who longs to have her husband smother her tits in his favourite sweet — coffee Angel delight; and then he could lick it off her shivering mounds. There's another woman who wants her huge round nipples tickled with a feather. Yet hell, they daren't say! Why not?

This article isn't really just about whoppers, is it? The sumptuous flesh-and-blood type I mean, which we Peachy people all adore and ravish. No, I'm getting on to my high horse about letting it all hang out; don't be ashamed of what you think of as 'kinks'. Of course, some of you might wish to knock my knockers off the high horse. Okay then; but say so! Don't just wallow in silent whoppers — keep them buzzing with life and fun.

FAITHLESS TITS

Contemplate the thought of having at your disposal a pair of lusciously shaped, well-developed breasts, which existed for your caresses alone. To say that the idea is attractive is assuredly an understatement. We must bear in mind that being faithful is, for big-breasted women, by no means an easy task.

Little thought is required to realize that the well-stacked female's bobbing path through life is going to be beset with numerous temptations. The presence of a wedding ring on her finger will not deter the majority of big-bosom admirers from trying their luck with her enticing orbs. Be honest with yourselves; would it deter you? You would be at such a pitch of arousal that thoughts about the nice husband the girl may have would rapidly vanish from your minds. As for the lady, with all twinges she experiences inside her mammary flesh, she will find it difficult to refuse every offer and proposal for a little big-breasted swinging.

We invited Kathy to produce two married friends who had succumbed not to her charms, but to those of other men. Kathy was clearly not pleased about part of the request, but nevertheless, she delivered the goods in the shape of two eminently well-stacked young ladies. We asked the first, twenty-four year old Liza, with a 49 inch bust, how her act (or acts) of adultery had occurred and what her husband had to say about the state of affairs:

"My husband?" Liza let out a gasp. "Christ! Ken knows nothing about it, and what's more he never will as far as I'm concerned. Don't you lot dare to give my real name in full or to try to mix things with Ken." She scowled round at us, and we hastily assured her that she had nothing to fear from us. She continued:

"After all, I've only been married a couple of years. Ken wouldn't think that another bloke's hands mauling my great big knockers and feeling inside my knickers portended too well for the future, would he? Not that I'm intending to let it be like that all the time. I really mean it when I say I must get my knockers under firmer control.

"It was all so silly as well. I was simply stuck in a cafe, when a man came and sat down opposite me. I was wearing a low-cut dress, it being warm, and my knockers tingled as I felt him looking down at them. I breathed a bit deliberately heavy, so that the flesh would swell up even more. His eyes were on that all right! Out of the blue, he asked if I'd time to go back to his flat for a quick drink. Now, I'm no fool. Normally, I wouldn't fall for such a line as that; but this time — I don't know; I somehow managed to kid myself along that he just meant what he said. I wouldn't normally have been such an idiot, but you see, Ken and I had had a row that morning. Oh, it was nothing much, but it had left me feeling annoyed, particularly because it had meant that he hadn't given my knockers their early morning fondle. I was damned frustrated if you must know.

"John, as the chap was called, had his hands in my bra as soon as we had shut the front door behind him. I tried to pull back, but my flesh was pulsating quite frantically. His touching my jugs had got them going.

"He speedily undid my bra and had my knockers dangling bare out of my dress. He kneaded the orbs together and yanked at the nipples. Then he sucked hard on the teats. All of this was happening while we were still standing by the door! He could tell I was getting flustered, and he quickly had a hand inside my knickers, working away into my sex. It was too much. I came! I almost fell over with the strength of the climax if you want to know, but I got a grip of myself then. I realized he was undoing his flies. I made for opening the door — and succeeded. Then I dashed home for a bath and to re-do my make-up before Ken came back.

"I was terrified he would smell the other man on my orbs as it were (even though there had been no spunk shooting over me), once he was in bed and started kissing my knockers, like he always does. Thank God, he didn't! But now there was something else I had to try and forget — I mean, other than the row — and that something else was the infidelity of my twin advantages! Well, I almost had forgotten about the whole affair, until today when Kathy raked it up. You see, being daft, I had told her later on that day when she had called!

"Still, my knocking assets

are not getting caught again, see? It's none of your fault, but having to describe it like this has made the guilt come swirling back!"

She looked angrily over at Kathy, and then left the room, almost tearful! Kathy, to give her credit where credit is due, appeared rather upset. "Oh, dear," she murmured, "I'd no idea she was feeling like that. She's bound to forget again soon though, don't you think? Still, we must move on!"

Kathy's face resumed its beam, and she looked at her next busty beauty, thirty-one year old, 47 inch chested, Jane. Jane smiled a little uncertainly. "Well, I hope I'm what you are wanting," she muttered. "I don't mean I don't think my tits will please. See for youself how big and juicy they are! But what I'm getting at is whether I'm suitable for your readers. Kathy here asked if I had ever been unfaithful, and well, I had to own up that my big tits have bounced around quite a bit. Well, I was transported here before I knew what was happening! Kathy's that keen!

"Why do I have doubts? It's simply because that although I let fellows feel up my tits, I don't go screwing round with them — not real cocks up my fanny, I mean! But you lot are wanting real adultery, aren't you? To be honest, I was even surprised that Liza apparently passed your test — unless you're not going to bother to publish what she had to say . . . ? Adultery needs a married person screwing, doesn't it; and that's what you were asking for!"

We laughed. "It's big bosomy breasts this place called PEACHES is about, so of course we're interested in yours and we also were in Liza's. Now, tell us what your naughty knockers get up to. Give it to us straight, with all the sexy exploits included!"

Jane grinned. "You don't mean Kathy's got things right

for once?"

The two girls were obviously old friends, so we asked Jane of the bursting blouse, showing her bare breast swellings, to continue, before Kathy could butt in:

"I can't resist showing my whopping tits off — that is my trouble in a nut-shell, or perhaps in two giant balloons!

"Now, the question is whether I'm prick-teasing but only prick-teasing, or whether I'm hoping that something will really happen. I'm not too sure of the answer to that one myself, but the way my rubbers are twitching must mean something."

She laughed lustily, her well-stackedness jogged up and down, causing our eyes to follow the teasing eyes in the centres of her chest set.

"I think that maybe the point is that whereas most girls settle down after marriage, I've just stayed the same as I always was, with my enormous tremblers as randy as ever."

A button popped off her blouse, as though to prove it; and we all, including Kathy, craned our necks eagerly, seeing one large tit virtually swinging out in the buff. Jane tormentingly fingered it, and then covered it with her arm. What a little minx!

"I never went in for more than one screwing relationship at a time much. I bet that has surprised you! Come on, you all thought

I was a bit of a scrubber, didn't you, ready to suck as much cock as I could get? Okay, I see you can hardly admit the fact to me now! But no, it's only these giant tits of mine which are naughty — naughty knockers is an apt title! Oh yes, you wanted to know about husbands and their reactions, didn't you? Well, my Patrick is fine. He knows what type of girl I am and always have been — at least I hope so! He should do after eight years of marriage — not least because we had to get married because I had got caught! To tell you the truth, I don't really know who the father was! Patrick assumes it's his. Still, over this unfaithfulness, we don't talk much about it. I guess that is by mutual consent; I bet he's sowing his seeds or getting his oats or whatever it's called with all the temp secretaries he has around.

It felt lovely, especially when my teat stuck in his pee-hole and I could feel some of the spunk coming up the tube. My tit flesh was all quivering, and my hole longed to be banged for all it was worth.

"Love-making with my husband, you see, hasn't been much good since the wretched wedding. I must resent his having made be pregnant — subconsciously or something. It was great with Andy though, and I really let myself go. After having his smooth knob against my nipples and then in my face, I impaled my yawning hole on it. His shaft rose up within me as I rode him, while my titties flew at his face. He played catch with them, as if they were two huge beach-balls. I love that . . . . and I love the sex!

"I didn't get home until late, and Trevor had guessed what I had been up to, even if he didn't know whom it was with. Anyway, he only had to stick his nose in my fuzz, or just on my titties, and he would have directly smelt the fact that I'd been allowing some bloke to spunk over me!

"Trevor was upset. It was awful. But only a week later, I was off again — after the cock of another old flame.
